4. The tenders will be opened on 4th August 2023, at 12:00.
5. The Ordering Party does not provide for holding a public tender opening session with the participation of contractors, as well as broadcasting the opening session via electronic tools.
6. Due to the use of mandatory electronic means of communication, both for the submission of tenders and the Ordering Party's communication with Contractors, the opening of tenders will not be public.
7. In the event of a failure of the information and communication system that makes it impossible to open tenders by the date specified by the Ordering Party, the opening of tenders will take place as soon as the failure is fixed.
8. In the event of a modification of the tender opening date, the Ordering Party will announce such change on the website of the proceedings.

## **XV. Persons authorized to communicate with contractors**

1. The person authorized to contact with the contractors is: Beata Fraś, tel: +48 660012011, e-mail: [fras@meeri.pl](mailto:fras@meeri.pl)
2. The Contractor may request the Ordering Party to clarify the content of the SWZ. The Contracting Authority is obliged to provide explanations immediately, but no later than 2 days before the deadline for submission of tenders, respectively, provided that the request for clarification of the content of the SWZ was received by the Ordering Party no later than 4 days before the deadline for submission of tenders. Questions regarding the SWZ may be requested via the purchasing platform available at: <https://platformazakupowa.pl/pn/minpankrakow>.
3. If a request for clarification of the content of the SWZ is not received by the deadline referred to in paragraph 2, the Ordering Party is not obliged to provide clarification of the SWZ and the obligation to extend the deadline for submission of tenders, respectively.
4. The contents of the queries, together with the explanations, shall be made available by the Ordering Party, without disclosing the source of the query, on the website of the conducted proceedings and on the procurement platform available at: <https://platformazakupowa.pl/pn/minpankrakow>.

## **XV. Method of calculating the price**

1. The Ordering Party does not allow price variances. The Contractor is obliged to provide a price for the realization of the entire subject of the contract.
2. The tender price should include all costs and components related to the execution of the subject matter of the order resulting from the SWZ, in particular from the Subject of Matter of the Contract, constituting Appendix 1 to the SWZ, as well as those not included therein, and without which the subject matter of the order could not be carried out in accordance with its purpose.
3. The tender price is the gross price, i.e. the net price plus value added tax at the rate prescribed by law. The Contractor shall quote the price to the nearest penny.

## **XVI. Tender validity**

1. The Contractor remains bound by the tender for a period of 30 days.
2. Tender term shall begin with the expiration of the deadline for submission of tenders, with the first day of the tender term being the day on which the deadline for submission of tenders expires.
3. Accordingly, tender term expires on 2nd September 2023.
4. In the event that the selection of the most advantageous tender does not take place before the expiration of the tender validity period specified in the procurement documents, the ordering party shall, before the expiration of the tender validity period, request the contractors once to agree to extend this period by the period indicated by the ordering party, not exceeding 30 days.

5. Extension of the tender validity term referred to in paragraph 4 requires a written statement of consent by the contractor to extend the tender validity term.

## **XVII. Criteria of tender evaluation and selection of the most advantageous tender**

1. The Ordering Party will evaluate tenders using the following tender evaluation criteria:

Criteria	Score (points)
Gross tender price (C)	100

In the criteria entitled: "Gross tender price", the highest number of points, i.e. 100, will be awarded to the tender containing the lowest gross price among all non-rejectable tenders, and each subsequent tender according to the following formula:

$$\text{Gross tender price} = \frac{\text{The lowest gross price among all tenders subject to evaluation}}{\text{gross price of the evaluated tender}} \times 100 = \text{number of points}$$

### NOTES:

- 1) The maximum number of points that a Contractor's tender can obtain in this criteria is 100 points.
- 2) The gross tender price, is the price stated in the Tender Form, constituting Appendix No. 2 to the SWZ.
2. The Ordering Party will award the contract to the Contractor whose tender obtains the highest number of points.
3. The calculation of scores, according to the above criterion, will be calculated to two decimal positions.

## **XVIII. Draft contract provisions**

1. The template contract is attached as Appendix 3 to the SWZ.

## **XIX. The Ordering Party's actions**

1. After submitting the tenders, the Ordering Party shall examine and evaluate the tender for each part, including the adjustment of mistakes in accordance with Article 223 of the PPL Act.
2. After examining and evaluating the tenders, the Ordering Party shall, in accordance with Article 274 of the PPL Act, request the Contractor who submitted the highest-rated tender, for each part, to provide subjective evidence.
