F2/36/2021

Warsaw, date 2021-06-25

Concerns: open procedure for delivery of Electron Beam Lithography (EBL) system – No F2-2/36/2021.

The Contracting Entity on base of art. 137 paragraph 1 of the Act Public Procurement Law of 11 September 2019 (Official Journal of 2019, item 2019, with later changes) we make change in the Terms of Reference in:

I. **Chapter VII. SUBJECTIVE AND OBJECTIVE EVIDENCE, OTHER STATEMENTS AND DOCUMENTATION:**

After changing paragraph 1 point 1.15 Chapter VII of the ToR shall read as follows:

„In the event specified in item 8) of these Terms of Reference, the Contracting Authority may demand the Contractor to present a Polish or English translation of the documents specified by the Contractor and obtained independently by the Contracting Authority.”

II. **Chapter IX FORM OF THE SUBMITTED STATEMENTS AND DOCUMENTS:**

After changing paragraph 3 Chapter IX of the ToR shall read as follows:

„Subjective evidence, objective evidence, and other documents or statements made in a language other than Polish or English shall be submitted together with Polish or English translation.”

Note!

The Contracting Entity informs that the above change is an integral part of the Terms of Reference. The remaining statements of the Terms of Reference remain without changes.
